- Comprehensive Assessment \neq every 6 months

New Acuity Scale

- Acuity assessed every 45, 60, or 90 days

Care Plans

- Less is more- goal management
- Must be updated and signed

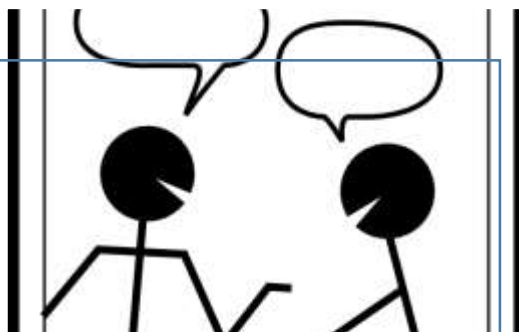

Case Closure/Graduation

- CM needs to be evident or client needs to be graduated

Lost to Care

- Bettering the process- CMs becoming more proactive

Social Case Management

- Not based on the medical model

Additional TA- OAMC/Mental Health

- Germane Solutions, contracted trainings
